## Trapp Corp. and Array Networks Sponsor Arizona Tech Council's September After5 Mixer

SCOTTSDALE, AZ and MILPITAS, CA – SEPTEMBER 15, 2014 – Scottsdale based Trapp Corp. is proud to host the upcoming Arizona Technology Council ([AZTC](#)) After5 Mixer, cosponsored by Array Networks, a global leader in application delivery networking. The After5 Mixer is a premier monthly networking event hosted in conjunction with one of AZTC's 750 member companies.

Just in time to premier their latest collaboration efforts, Trapp Corp. and Array Networks have chosen to host the event at the U.S. Airways Center, on September 18, 2014, from 5:30 p.m. to 7:30 p.m. Up to 100 attendees will gather in a relaxed, after-work setting to network, eat, and drink with fellow entrepreneurs, technologists, and colleagues of the Phoenix community.

"Arizona Technology Council's After5 mixer successfully unites like-minded professionals for an exciting evening filled with casual networking, hors d'oeuvres, and cocktails! It's easy to see why this event is a member's favorite, and we're ready to deliver an After5 September event that's sure not to disappoint," says Reed Clarke, Vice President of Business Development. "We couldn't have asked for a better cosponsor than Array Networks to provide the ideal setting to bridge powerful relationships between peers in Arizona's thriving technology industry."

"I am very excited to kick-off the Trapp and Array Networks partnership, which combines best-of-breed application delivery with best-in-class IT professional services," says Rich Siegel, Vice President of Sales and Business Development at Array Networks. "For businesses that depend on applications, Trapp and Array provide the technology and expertise to ensure superior availability, performance and security while reducing cost and complexity. The After5 mixer provides the perfect opportunity to jump start this exciting new collaboration."

The After5 event is always free for AZTC members and guest admission is \$20. Complimentary parking is available. Attendance is limited to the first 100 registrations. We encourage members and non-members to RSVP and learn more [here](#). We look forward to seeing you then!

### About [Trapp](#):

Trapp combines the very best cloud, Internet, IT managed services, and IT consulting to provide a true all-in-one IT solution for businesses who seek to cut IT costs and leverage technology to grow revenues. Trapp's services are designed to appeal to the growing number of businesses looking to outsource more IT infrastructure and application management services to help reduce total cost of ownership and free up internal resources, as well as those companies seeking the skills and support to quickly complete complex IT projects.
